

# FIELDS OF DOCTORAL SCHOOLS

<b>Doctoral Schools</b>	<b>Field of study</b>
Electrical Engineering	Electrical Engineering
Power Engineering	Power Engineering
Automatic Control and Computer Science	Electronic Engineering, Telecommunications and Informational Technology
	Systems Engineering
Electronics, Telecommunications and Information Technology	Electronic Engineering, Telecommunications and Informational Technology
Mechanical Engineering and Mechatronics	Mechanical Engineering
Industrial Engineering and Robotics	Mechanical Engineering
	Industrial Engineering
	Engineering and Management
Biotechnical Systems Engineering	Mechanical Engineering
	Environmental Engineering
Transports	Transport Engineering
	Mechanical Engineering
	Electronic Engineering, Telecommunications and Informational Technology
Aerospace Engineering	Aerospace Engineering
	Mechanical Engineering
Material Science and Engineering	Materials Engineering
Applied Chemistry and Materials Science	Chemical Engineering
	Chemistry
	Environmental Engineering
Applied Science	Mathematics
	Physics
Entrepreneurship, Business Engineering and Management	Industrial Engineering
	Engineering and Management
Lasers and Accelerators Applications Engineering	Physics
	Computers and Information Technology
