DESIGN YOUR FUTURE

ABOUT US

The National University of Science and Technology POLITEHNICA Bucharest has over two centuries of heritage in the Central and Eastern European engineering landscape. Our community is driven by a shared purpose: to make the world better, through education, research, and innovation. Our campus is the largest in Romania, a dynamic hub for nearly 40,000 students from diverse backgrounds. It's a space designed not just to educate but to inspire, where connections are made, ideas are exchanged, and lifelong friendships are formed. Beyond academics, we celebrate a rich student life with vibrant societies, events, and sports, creating a holistic experience that equips you with both knowledge and essential life skills.

KEY FIGURES

1600 ACADEMIC STAFF

ADMISSION PROCESS

EU Students

Students from EU countries must have their study documents recognized and validated by the Romanian National Centre for the Recognition and Validation of Diplomas. After receiving the Certificate for the Recognition of studies, the candidates will be able to enroll.

Non-EU Students

The registration process takes place online. To register and find out all the necessary information, you need to scan the QR Code below.
