# ABOUT US

Welcome to POLITEHNICA Bucharest! This guide is designed to assist you, a prospective international student, in successfully navigating the university admission process. We are excited to have you consider joining our diverse and vibrant academic community.

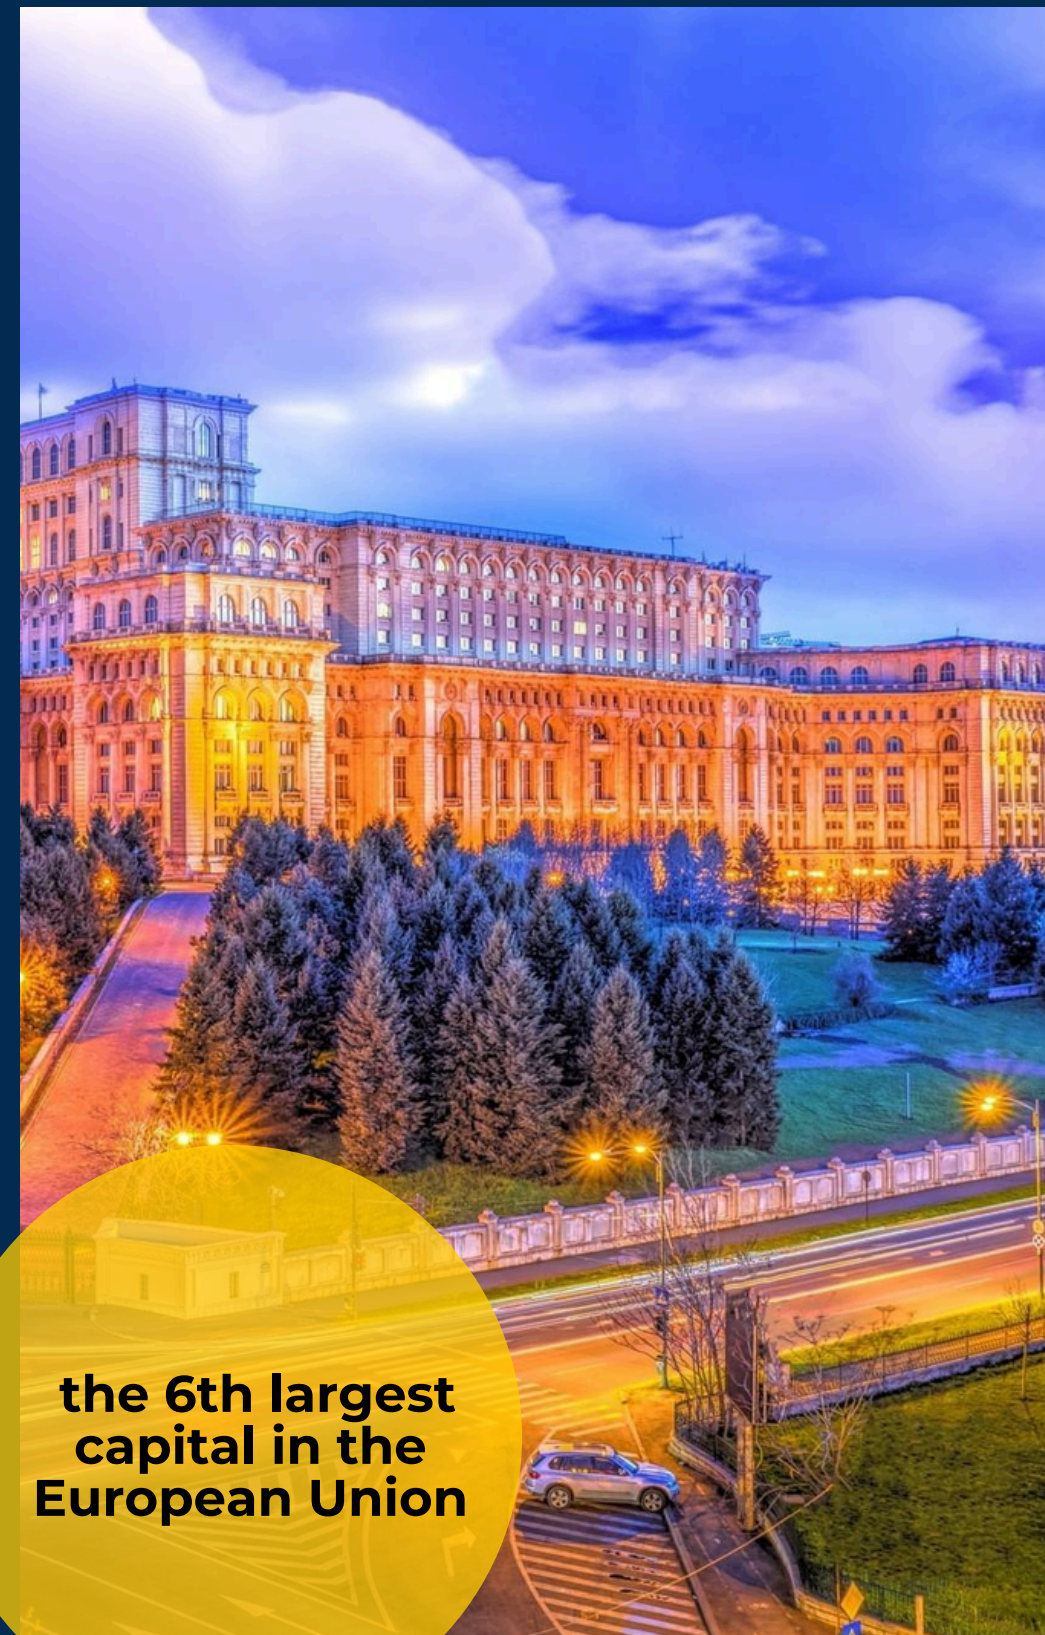

We offer a broad range of undergraduate and graduate programs across various disciplines (389 bachelor and master programs, 66 of which are taught in English, French and German), ensuring students have opportunities for interdisciplinary learning and the acquisition of versatile skills.

Our academic community includes 40,000 students enrolled in 21 faculties, with access to more than 90 research centers across two campuses in Bucharest and Pitești.

With internship agreements spanning over 1,000 companies and approximately 2,400 research projects completed in the last six years—1,500 national, 500 international, and 400 industry collaborations—our impact in academia and industry continues to grow.

# ROMANIAN LANGUAGE PREPARATORY YEAR

The Romanian language preparatory year serves as a bridge for international students, enabling them to thrive in a Romanian-speaking academic environment. It not only enhances language skills but also facilitates cultural adaptation and academic success.

Join our intensive 2-semester program (9 months) and immerse yourself in our language and culture, developing proficiency and confidence.

## BENEFITS:

**Cultural Immersion:** Exposure to Romanian culture, fostering a deeper understanding and appreciation.

**Academic Readiness:** Better prepared to tackle the linguistic challenges of academic studies conducted in Romanian.

**Community Integration:** Enhanced ability to engage with the local community and participate in extracurricular activities.

# APPLICATION PROCESS

## 1. ELIGIBILITY CRITERIA

It's important for international students to carefully review the specific admission requirements of the university and program to which they are applying, as these can vary significantly.

### Overview of admission requirements:

- ✓ Documents to confirm the citizenship of a European Union third-state
- ✓ For Bachelor Programs - Baccalaureate diploma or its equivalent (check if your high school diploma is recognized in Annex 1 of the Admission Methodology);
- ✓ For Master Programs – Undergraduate diploma or its equivalent;
- ✓ For PhD Programs - Master diploma or its equivalent;
- ✓ For study programs in which the teaching process is conducted in Romanian, a language proficiency certificate at the minimum B1 level or graduation of the Romanian Language Preparatory Year.

*We advise you to contact the university's International Students Office for further guidance and clarification if needed.*

# REQUIRED DOCUMENTS

## 2. APPLICATION AND REQUIRED DOCUMENTS

Application of non-EU students to POLITEHNICA Bucharest is made through the Apply platform. This involves various steps including the submission of application forms, uploading required documents, and providing necessary information for admission. The online registration system facilitates a more accessible and streamlined process for international students who wish to apply and join our academic programs.

▶ **WHEN TO APPLY? BETWEEN MARCH 3, 2025 – JULY 31, 2025.**

### How should your documents be uploaded:

- ✓ Scanned documents in PDF format
- ✓ Clearly label each file with your name and the type of document (e.g., John\_Doe\_Transcript.pdf). This helps in organizing and processing your application.

▶ *Citizens with dual citizenship, including the Romanian one, must follow the admission procedure dedicated to Romanian citizens organized by the NUSTPB faculties. They will be enrolled to studies as Romanian citizens, according to the current law.*
